Dear Mr. Weisberg,

Enclosed is a U.S. Postal money order for the amount of $12.50. Please send me one (1) book authored by yourself titled FRAME UP: THE MARTIN LUTHER KING-JAMES EARL RAY CASE (ISBN 0911606-06-8), costing $12.50 postpaid.

Per our earlier conversation, we talked about the Mary Moorman Polaroid photograph and "Badgeman", the individual wearing some type of uniform, possibly one similar to a Dallas policeman's. Since United Press International (UPI) is still trying to computer-enhance the Polaroid's image, it may be several years before it is released. Could you tell me a source where I might be able to purchase a good reproduction, magnified image and computer-enhanced? I am sincerely interested in seeing this possible assassin. The British documentary "The Men Who Killed Kennedy" as well as author Anthony Summers of CONSPIRACY both stated the "Badgeman" assassin on the grassy knoll was a Corsican contract killer and (later) drug smuggler named Lucien Sarti. Both sources stated that he was indirectly hired to assassinate President Kennedy through Mafia Godfathers Carlos Marcello and Santo Trafficante.

I am looking forward to receiving the ordered book as well as your catalog. Your assistance and cooperation in these matters is greatly appreciated. Keep up the great investigative work and book-writing/publishing!

Sincerely yours,

Alan J. Walter
